Press

"Local musician Anthony Brock has put together a very satisfying CD, *The Privilege of Love*. Brock manages to draw the listener in with his extremely winning vocal style, sincere lyrics, and nice melodies. He is joined by friend Rejoice Israel on the title track as well as several others, and the result is, as the lyrics suggest, a breath of fresh air! Please enjoy and support this fine new local musician!" ~ Karen Pauley, KSER 90.7.
